Quarterly review

Prepared for the board · November 2026

What we found

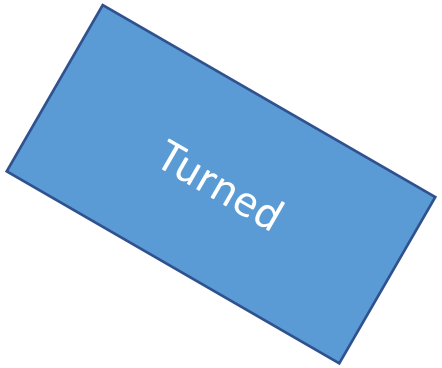

- Revenue grew in every region
  - North led, with a third of new customers
    - Most came through partners
- Costs held steady while the team grew
- Support response times fell from a day and a half to under six hours, the biggest change of the year, and customers noticed
- Next: expand into two new markets

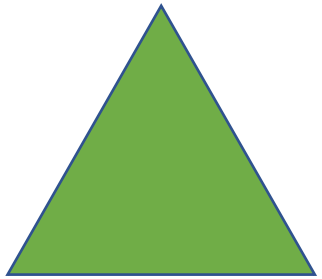

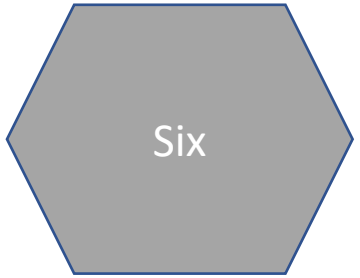

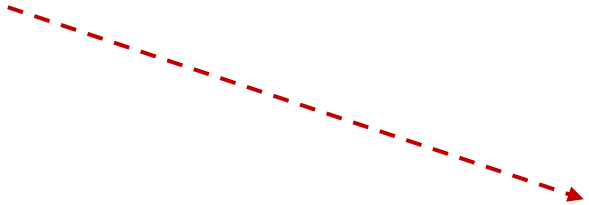

A text box with **bold**, *italic*, red and larger words, long enough to wrap onto a second line inside its box.

A second paragraph, aligned right.

Pictures

Revenue by region

Region	Q1	Q2
North	£1,200	£1,450
South	£980	£1,020
East	£760	£890
